Rapture R (Rotspon/Donnerhall/Weltmeyer/Argentan) is one of the best bred Dressage horses in the world. He has 23 years of foals on the ground and they have inherited his good mind, confirmation and movement. During Rapture's 100 day stallion test at Paxton Farms he scored an impressive 143.20 in Dressage and a 135.33 in Jumping, which qualifies him as a Class I Elite Stallion. He won his Oldenburg NA and Hanoverian Stallion Approvals. Rapture R is showing 2nd and 3rd level in Dressage and schooling 4th level movements. Rapture is approved by the AHS, HV, Oldenburg GOV and Oldenburg NA, American Warblood Society, and American Warmblood Registry, SWANA for Swedish mares and Westphalian/Rheinlander NWR for Westphalian and Rheinlander mares, and the Canadian Warmblood Horse Breeders Association.
